San Francisco Port Information

San Francisco's history is long, and filled with historic events. Beginning in the 1850s, the city has always been an important aspect of Californian and American history.

It provided a highly accessible and convenient bay harbor, allowing for easy trade and travel.

The city continued to grow and grow throughout the 19th century, and quickly became one of the most important west coast cities.

The 20th century started out with the 1906 earthquake which caused massive fires.

Another historic event was the building of the Golden Gate Bridge, and it's opening in 1933.

In the 50s, the Giants came to town, and the city suddenly had its very own baseball team. In that same decade, the 49ers became an NFL team.

San Francisco was well known in the turbulent 60s and 70s for its attraction to alternative people, adding a diverse thick feeling of community in the city and the surrounding area.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
