ÅLESUND OVERVIEW

Ålesund is a town and municipality in Møre og Romsdal county in Norway. It is part of the traditional district of Sunnmøre, and the center of the Ålesund Region. It is a seaport, and is noted for its unique concentration of Art Nouveau architecture.

The town has an unusually consistent architecture with most of the buildings constructed between 1904 and 1907. Jugendstilsenteret is a national interpretation center, visitors can learn more about the town fire, the rebuilding of the town and the Art Nouveau style. Ålesund is a partner in the

Art nouveau network, a European network of co-operation created in 1999 for the study, safeguards and development of the Art nouveau.

The term "Little London" was often applied to the community during the occupation of Norway by Nazi Germany due to the Norwegian resistance work that took place here. Among other things, the city was central to the flights to Scotland and England.

Travel Safety Tips

As in any tourist destination, you will want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings, especially in crowded areas.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Leave your valuables in your stateroom safe and avoid carrying large amounts of cash. Exercise caution when using ATMs.
- Cameras and handbags should be carried close to your body or concealed out of sight. People who carry handbags or backpacks are particularly vulnerable to purse snatchers on scooters.
- Guests should take their passport with them when ashore. If a passport check is required by local authorities, photo copies are no longer a valid form of identification.
- In general, use the same level of precaution you would use in any tourist destination.

Please remember that while in a foreign country, you are subject to its laws.

VAT Refund Program Value Added Tax (VAT) is a tax refund program in which non-European Union citizens may be entitled to reclaim a portion or all of the tax paid for items purchased in participating stores. Each store's participation in the VAT refund program is discretionary. In most cases, VAT is already added to the purchase price. Please note that regulations and conditions governing the refund of VAT are subject to change. It is the responsibility of the cruise ship Guest to inquire about a store's VAT refund program participation and if their purchase qualifies. For information about participating stores listed on this map, please see your Port Shopping Guide.
