### NASSAU OVERVIEW

Nassau will romance you with its pastel pink colors, its style... the clip clop of hooves as horse drawn carriages meander lazily down the city's narrow streets. You can see gardens of flaming flowers, the impregnable forts of yesteryear and tiny Easter villages. Soft golden sandy beaches that touch aquamarine water encompass Paradise Island, the playground of the rich and famous. View bustling straw markets, ladies braiding hair creating wearable artwork, policemen dressed in crisply starched jackets, enjoy duty tax-free shopping and a variety of conch and coconut cuisine. Together, this leaves a lasting impression of the beauty and ambiance of the Bahamas.

The culture is a melting pot of many native customs ranging from the indigenous "Indian" people who populated the Bahamas, including West African, English and other cultures who arrived in the Bahamas over the past three or four centuries. People from many diverse backgrounds migrated to the region, such as British Loyalists (accompanied by slaves) fleeing America after the War of Independence, Bermudian slaves, people from other Caribbean islands and many other nationalities. Their experiences, beliefs and lifestyles today have shaped Bahamian culture.

### Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
