Welcome to Stockholm

Venice of the North

The city is built on fourteen islands connected by 57 bridges, where Lake Mälaren flows out into the Baltic Sea and the Stockholm Archipelago — a vast fan-shaped maritime landscape of more than 24,000 islands, islets and skerries, of which only about a thousand are inhabited.

Where Stockholm comes into its own, however, is its sheer, natural beauty. Designated as the very first European Green Capital, the exquisite buildings, the greenery, the fresh air and the proximity to the water are distinctive traits of this city. Ekoparken, the first National City Park in the world, is a green space that breathes for the city, and a constant presence in this urban mecca.

Also, in western Stockholm, there is a fabulous waterfront walk and cycle path along 'Norrmälarstrand' that wends its way from Stadshuset (City Hall) to the beaches, forests and meadows of Rålambshovsparken.

Discover the natural "beauty" of Stockholm — try a morning stroll in Djurgården, a dip in Lake Mälaren from Norrmälarstrand, or a quiet moment to yourself in Hagaparken. This is eco-tourism at its finest.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
