THE HISTORY OF THE MAYPOLE

In Scandinavia, the maypole is primarily used in celebrations of Midsummer, or the Summer Solstice. Festivities typically include dances, bonfires, feasts, and midnight parties and swims. The maypole is a cross-shaped wooden pole ornamented with flowers and leaves. Nine long ribbons or streamers hang from the two rigs on either side for the purpose of weaving them together. According to Norse mythology, the maypole represents the large cosmic tree that connects the nine mythological worlds. The weaving ceremonies often include choreographed dances and symbolize harmony.
