ST. THOMAS OVERVIEW

St. Thomas covers 32 square miles of hilly terrain. Crown Mountain at 1,550 feet and Signal Hill at 1,505 feet are the highest points. The road that cuts through this mountain range affords incredible vistas to both sides of the island, even stretching across the crystal water to the neighboring U.S. and British Virgin Islands. Inland, you will see rolling green hills encompassed with winding stonewalls, splashed with colors of flaming hibiscus and the magenta of the bougainvillea. St. Thomas typifies a prosperous Caribbean island with postcard images of delightful shops, winding streets, incredible beaches

and old world charm. Its picturesque harbor is the busiest in the Caribbean. The U.S. Virgin Islands hosted over 2.6 million visitors last year.

There is no trace of the indigenous "Indian" population that lived in the islands when European colonization began. Today, the island inhabitants are descended primarily from African people of the West Indies. There are people from almost every island in the Caribbean living in the Virgin Islands: Dominicans, Haitians, Puerto Ricans, Trinidadians and Jamaicans.

Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
