Dear Guests,

I truly hope that you are having an enjoyable sailing with us!

As I mentioned earlier, we were unable to call on Villefranche due to adverse sea conditions this morning. While we will spend today at sea, I am pleased to announce that we will be adding a stop in Marseille, France, tomorrow.

The timing will be as follows:

**All Ashore - 7:00 am**

**All Aboard - 4:30 pm**

Our Port Adventures team has pulled together some great experiences in Marseille for those that are interested, so please stop by the Port Adventures Desk on Deck 3, today for a complete listing of available excursions. Port Adventures pre-reserved in Villefranche have automatically been removed Guest's stateroom accounts.

Please know that the safety and comfort of our Guests and Crew Members are always our highest priorities, and the shipboard team is pleased to offer the vibrant port of Marseille as an alternative port-of-call during your sailing.

We appreciate your understanding regarding this itinerary necessary change, and trust you will continue to enjoy your day aboard the beautiful Disney Magic.

Sincerely,

Captain Marco
