COZUMEL OVERVIEW

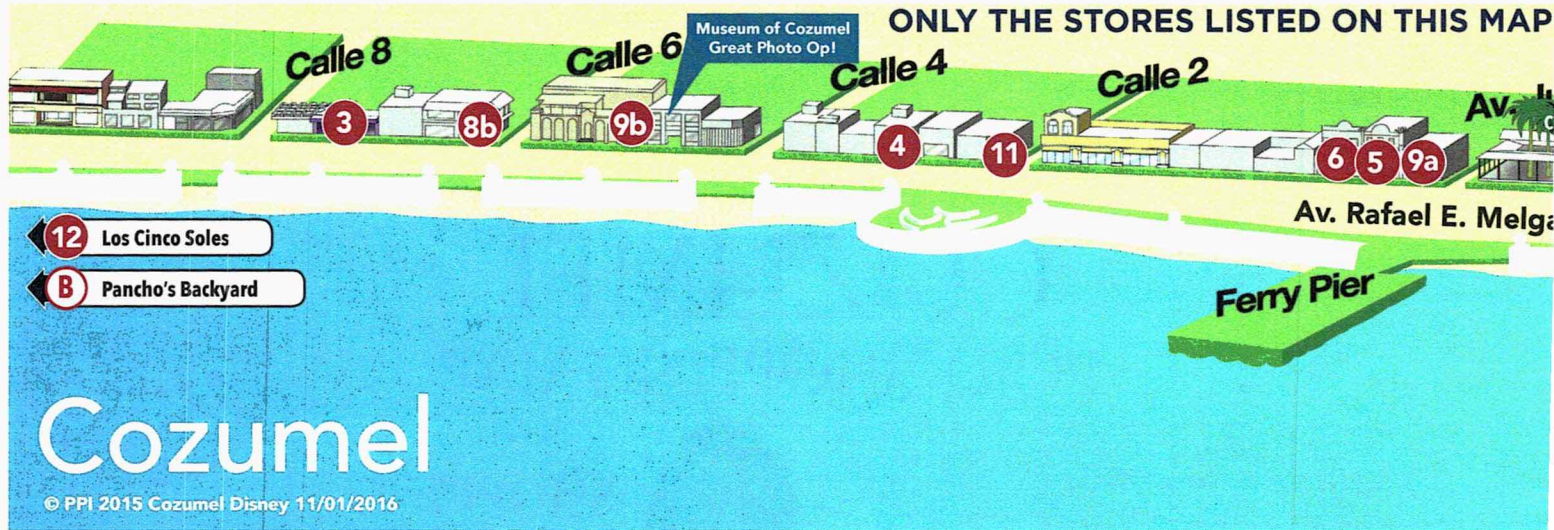

Cozumel is 33 miles long and 11 miles wide. It is the largest island in the Republic of Mexico. Twelve miles to the west is the mainland of Mexico, separated by a channel that is 3,000 feet deep. The Mayans have lived on Cozumel since 300 AD, and are most noted for their complex systems of mathematics, astrology and prolific city building. Cozumel was a trading center and was in contact with regions as far north as Veracruz and as far south as Honduras.

Shop for traditional handicrafts and duty free jewelry and dine in seaside restaurants seasoned with friendly local Cozumel residents. This, with lasting impressions and splashed with romantic cocktails,

will leave you wanting more. This island is a refreshing getaway from the metropolitan cities. Cozumel is considered the "crown jewel" of the Mexican-Caribbean. Powdery white sands, crystal clear waters, protected environments and snorkeling or scuba diving among schools of fish is a playground away from industrial society. Cozumel is a true Mexican paradise, and receives more cruise ship Guests annually than St. Thomas.

The language spoken there is Spanish, but almost everyone speaks some English. San Miguel is the only town on the island where cruise ships visit.

RESTRICTIONS ON U.S. CURRENCY TRANSACTIONS IN MEXICO

In September of 2010, the Mexican government enacted a law limiting the amount of U.S. dollars a Mexican business or individual may deposit into their bank account. Because of this limitation, some of the recommended stores in port may restrict the amount of U.S. dollars they will accept in settlement of your purchases. Please remember to take your credit card into port so that you may be able to take advantage of all the bargains these stores have to offer.

Safety Ashore Information While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID.
- Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
