FEATURED VARIETY ACTS THIS VOYAGE

THE HYPNOSIS & COMEDY OF DALE K

Hollywood's fabricated theory of hypnosis usually involves lightning bolts, zombie-like trances and humans clucking like chickens. During his performances, Dale challenges these theories proving that hypnosis is simply the power of suggestion that consists of mind motivation - rather than mind control. Using his creative abilities and abstract sense of humor, Dale K produces hypnosis events that are professional, unconventional and always hilarious.

THE MAGIC & COMEDY OF TRIGG WATSON

At twenty-five years old, Trigg has wowed audiences from London to Las Vegas with his magic. Earlier this year he was selected to represent North America in the World Championships of Magic in Italy. Fresh from his appearances on Pop TV's "Don't Blink", and Penn and Teller's national TV show "Fool Us", he'll make you question what's possible and having you laughing along the way.

THE MUSIC & COMEDY OF JOHN CHARLES

With just his guitar, and his incredible singing voice, John Charles amazes his audience with his ability to combine music, comedy and audience interaction. John has established himself as one of the most sought after entertainers in the corporate market. By allowing his audience to become a part of his show, John is able to create a unique and exciting experience that is tailored especially for that audience, that night. No two shows are ever alike.

THE PHYSICAL COMEDY OF MICHAEL HOLLY

Michael Holly has been an audience favorite in Las Vegas and around the world for a looong tiime! There's only one reason for this...he's funny! What more can you ask for, you invite him over to your place...you laugh. Cause and effect, yin and yang, ipso and facto. Need we say more?
