NASSAU OVERVIEW

Nassau will romance you with its pastel pink colors, its style... the clip clop of hooves as horse drawn carriages meander lazily down the city's narrow streets. You can see gardens of flaming flowers, the impregnable forts of yesteryear and tiny Easter villages. Soft golden sandy beaches that touch aquamarine water encompass Paradise Island, the playground of the rich and famous. View bustling straw markets, ladies braiding hair creating wearable artwork, policemen dressed in crisply starched jackets, enjoy duty tax-free shopping and a variety of conch and coconut cuisine. Together, this leaves a lasting impression of the beauty and ambiance of the Bahamas.

The culture is a melting pot of many native customs ranging from the indigenous "Indian" people who populated the Bahamas, including West African, English and other cultures who arrived in the Bahamas over the past three or four centuries. People from many diverse backgrounds migrated to the region, such as British Loyalists (accompanied by slaves) fleeing America after the War of Independence, Bermudian slaves, people from other Caribbean islands and many other nationalities. Their experiences, beliefs and lifestyles today have shaped Bahamian culture.

Safety Ashore Information

While you will find many great experiences in Nassau, there have been reports of increased crime, including assaults and robberies involving tourists in the area. As in any large city, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times, just as you would in your normal daily activities.
- Avoid short cuts, narrow alleys or poorly lit streets. We recommend that Guests only visit the downtown shopping areas, tourist locations and hire services and tours from licensed operators (particularly those involving jet skis).
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried out of sight and secured to your person with a strap.
- Leave passports, air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, copy of passport or other government-issued photo ID.
- If traveling by taxi, use only licensed taxi operators.
- In general, use the same level of precaution you would use in any tourist destination.
- Most crimes are easier to commit in dark unlit areas. You should stay out of these types of areas and consider returning to the ship before nightfall. If you stay out at night, please be extra vigilant about your personal safety.
