TORTOLA OVERVIEW

The British Virgin Islands became a separate colony in 1956, and in 1967, a new constitution gave the islands a ministerial system of government. They are now largely self-governing with offshore banking as the number one industry followed by tourism.

In addition to Tortola (10 square miles), there are more than 50 other islands, rocks and crags in the BVI chain. Most of the islands are fairly small and still uninhabited. The Virgin Gorda Highlights tour provides time to enjoy popular Baths National Park with its unusual rock formations. The Best of Tortola tour affords panoramic views of Peter Island, St. John and St. Thomas.

Road Town retains character with pastel colored buildings. Residents like to boast that the tallest objects on any of the islands are coconut trees. Territorial law prohibits buildings more

than two stories. The BVI Tourist Board has three locations—at the pier, in the center of town, and at the Ferry Dock.

Tortola's population is about 16,000, and most live in Road Town. Main commerce is banking, insurance, tourism and some light industry. The airport is too small for large jets so the tourism tide is held back. British Virgin Islanders are friendly and helpful people, and are among the easiest going people in the Caribbean. With 32 public holidays, easy going is a way of life. Due to a strong economy, there is virtually no unemployment. The Governor is appointed by the reigning British Monarch Queen Elizabeth II. Bathing suits are for the beach and are not considered appropriate dress for walking around town. Covering up is considered common courtesy while visiting areas other than the beach. As in Great Britain, driving is on the left, so when crossing the street, be sure to look both ways.

Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
