COPENHAGEN OVERVIEW

Copenhagen is one of the favored European capitals, often described as a charming provincial town with the lively atmosphere of a capital city. It is situated on Sjaelland (pronounced Zealand), the largest island belonging to Denmark, sitting east of the main landmass and is the largest city in Denmark. The city is an orderly layout of canals and streets with several parks dotted throughout, giving it an instant appeal. Copenhagen is one of northern Europe's busiest harbors. The warm welcoming atmosphere can almost be felt when you sail into or out of the picturesque harbor and guests are greeted by the bronze statue of the famed Little Mermaid, or "Den Lille Havfrue," was commissioned in honor of author, Hans Christian Andersen. It is located on the waterfront and is a 10 minute walk from the port of Langelinie, in the direction of the Amalienborg Palace, gazing out to sea, at the entrance.

After World War II, most of the old center of Copenhagen was pedestrianized making it a paradise for shoppers who can admire at leisure, the latest marvels of Danish design. Still, one of the best ways to get around the city is by bicycle, a familiar sight on the streets. With a population of nearly 1.8 million, Copenhagen is Scandinavia's largest and liveliest city.

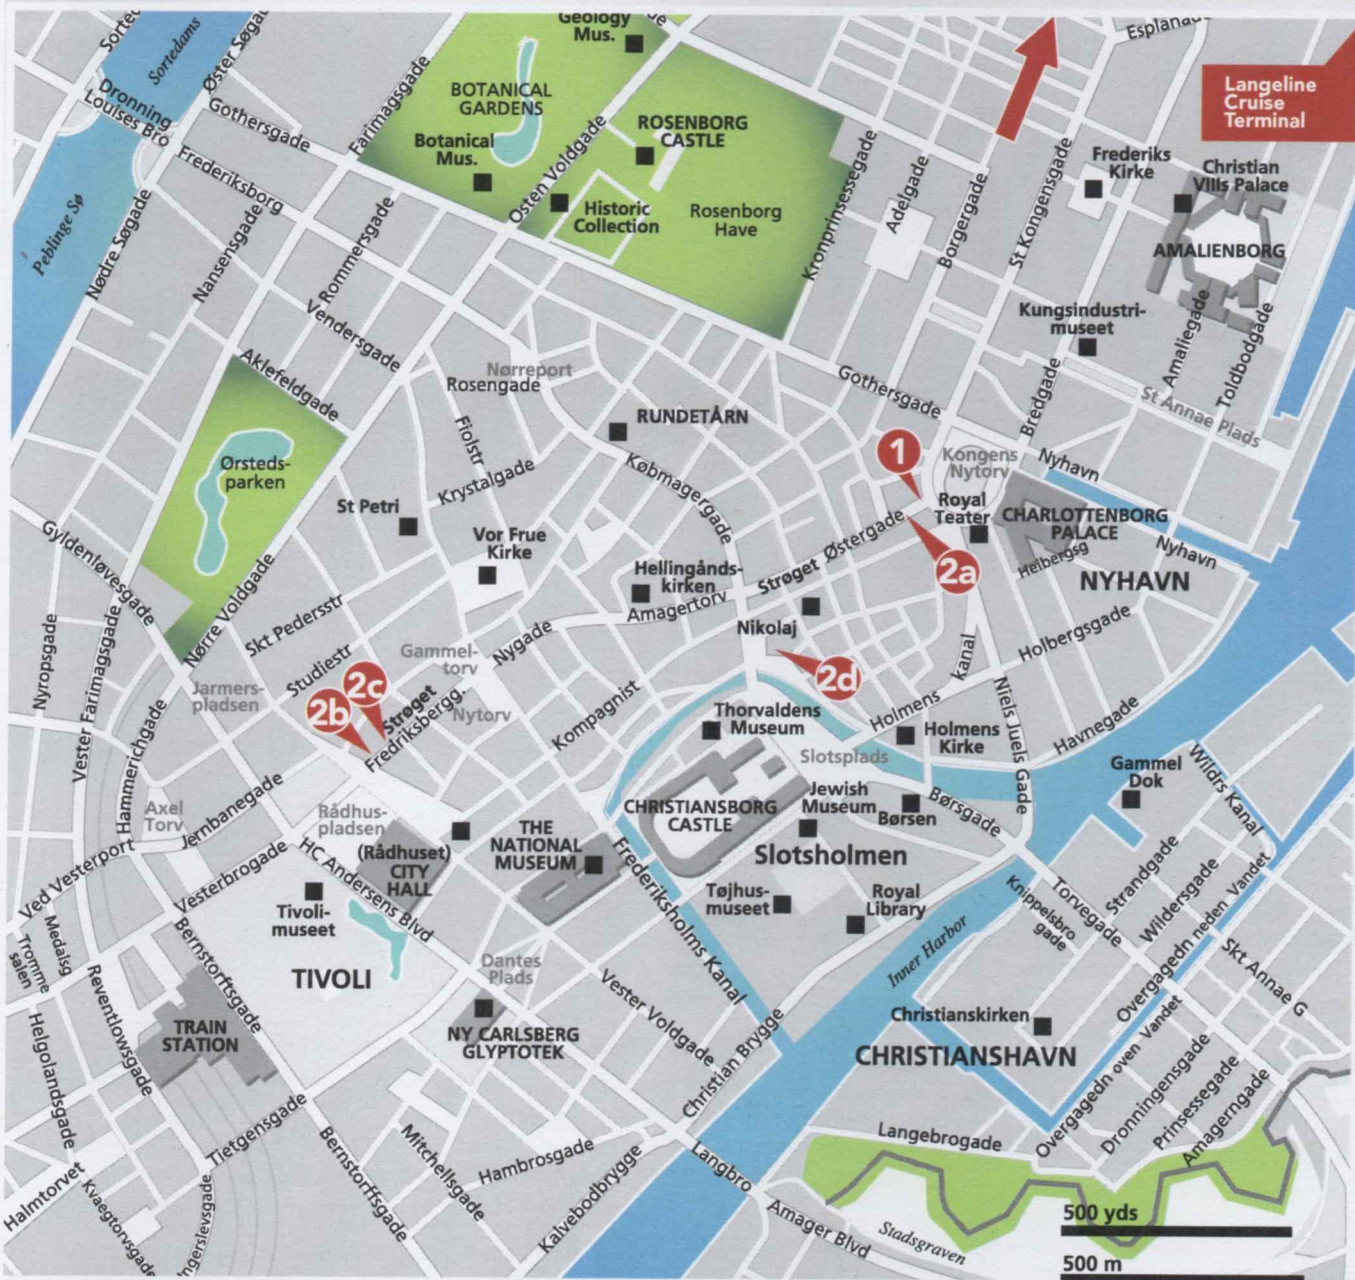

The lively "Latin Quarter" is bound to the south by Stroget, the city's main shopping street and to the north by Gothersgade, a large avenue separating Rosenborg and the "new town." Tivoli Gardens is just off the Radhuspladsen and is one of the world's oldest leisure parks. The century old amusement park is an excellent place for the young at heart. They contain popular shops, sidewalk cafes, and museums.

Travel Safety Tips

As in any tourist destination, you will want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings, especially in crowded areas.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Leave your valuables in your stateroom safe and avoid carrying large amounts of cash. Exercise caution when using ATMs.
- Cameras and handbags should be carried close to your body or concealed out of sight. People who carry handbags or backpacks are particularly vulnerable to purse snatchers on scooters.
- When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require Guests to carry passports ashore.
- In general, use the same level of precaution you would use in any tourist destination.

Please remember that while in a foreign country, you are subject to its laws.
