## ST. PETERSBURG OVERVIEW

St. Petersburg, home of the czars and their courts, is a rich repository of extravagant palaces, brilliant museums and renowned theaters overflowing with music and dance. Its fashionable boulevards and serene canals glisten in the White Nights of summer and dazzle on sunny winter days.

St. Petersburg was conceived by Peter the Great and fashioned after his favorite European cities. Peter's vision of a cultured capital is fully realized in the superb Russian Museum, the polished columns of St. Isaac's Cathedral, the elegant theaters, and the recent proliferation of private art galleries, gourmet restaurants and fine hotels.

We visit the Usupoff Palace with its marble staircase, gilded interior and miniature jewel of a theater. Tour the 19th century mansion of a Russian nobleman, and pause to sip a flute of chilled champagne in the drawing room. The strains of a Russian melody complete the setting, recreating the atmosphere of St. Petersburg's cultured salons of the past.

The world-renowned Hermitage Museum, with its fabulous collection of art and artifacts The Hermitage ranks with the Louvre, Prado, British Museum and the Metropolitan Museum of Art and houses works of art by Leonardo da Vinci, El Greco, Rembrandt, Picasso, Van Gogh and just about all of the world's great artists the State Hermitage is a wonderful site as well as Peter's summer home at Peterhof. In Tsarskoe Selo, now known as Pushkin, visit Alexander's Palace, the favorite residence of Nicholas II and Alexandra, and the lavish Catherine's Palace, with its expertly restored Amber Room.

Today, St. Petersburg is a cosmopolitan city with a lively cultural and artistic core. Foreign and Russian business are quickly securing roots. St. Petersburg is Russia's biggest port, a huge industrial center and truly an international city. For the first time in almost a century, St. Petersburg residents live in a city that's both stunningly beautiful and well stocked.

## Travel Safety Tips

As in any tourist destination, you will want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings, especially in crowded areas.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Leave your valuables in your stateroom safe and avoid carrying large amounts of cash. Exercise caution when using ATMs.
