Foldable Friends 1 of 4 fun designs!

Mrs. Potts & Chip

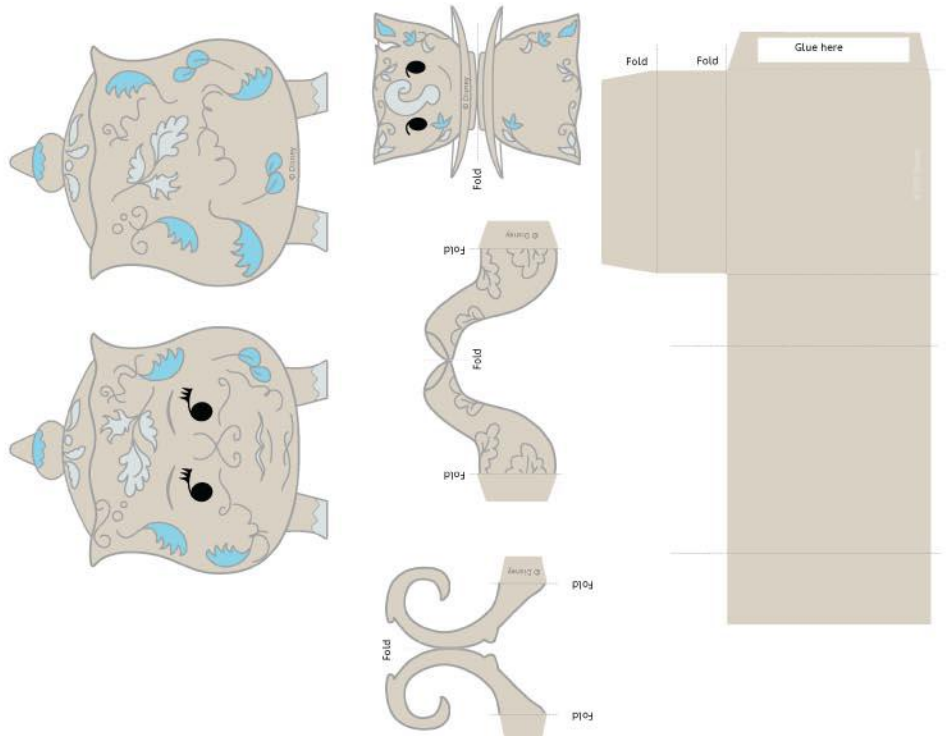

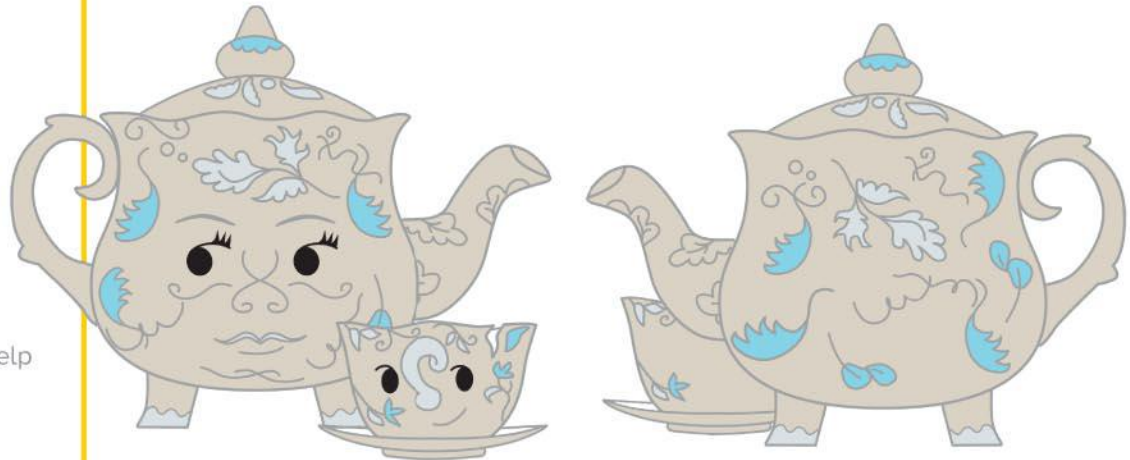

What you will need:

- Heavy paper
- Glue stick
- Scissors

Kids, please have a grown-up help you with the scissors.

Instructions:

Print out the second page onto heavy paper. Cut out the shapes as close as possible. Fold along the dashed lines. Glue the spout, handle and Chip together. Fold the box and apply glue to the flap where indicated. Glue Mrs. Potts' front to the box with her feet breaking past the bottom edge of the box. Repeat for her back. To add her spout and handle, apply glue to the white side of the flaps and adhere them to the sides of the box. Glue Chip somewhere close by, they are always together!
