Travel Safety Tips

As in any tourist destination, you will want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings, especially in crowded areas.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Leave your valuables in your stateroom safe and avoid carrying large amounts of cash. Exercise caution when using ATMs.
- Cameras and handbags should be carried close to your body or concealed out of sight. People who carry handbags or backpacks are particularly vulnerable to purse snatchers on scooters.
