Our onboard Security system prohibits children under the age of 18 from disembarking the ship unless accompanied by an adult in their same stateroom. If your party occupies more than one stateroom, please take a moment to review and complete a *Debarcation Authorization for Minors* form authorizing any additional adults in your party to accompany your child ashore. This also applies to parents and guardians occupying a room separate from their children. This form may also be used to authorize children under the age of 18 to go ashore unaccompanied by an adult. Completed forms should be returned to the Guest Services Desk, located on Deck 3, Midship. **In addition, Guests under 16 years of age must be accompanied by an adult to board transportation to and from the Walt Disney World® Resort.** Should you still need to schedule complimentary motorcoach transportation, please visit the Port Adventures Desk and Guest Services Desk, located on Deck 3, Midship.
