PORT OVERVIEW

Nassau will romance you with its pastel pink colors, its style and the clip clop of hooves as horse drawn carriages meander lazily down the city's narrow streets. You can see gardens of flaming flowers, the impregnable forts of yesteryear and tiny Easter villages. Soft golden sandy beaches that touch aquamarine water encompass Paradise Island, the playground of the rich and famous. View bustling straw markets, ladies braiding hair, policemen dressed in crisply starched jackets. Bay Street has undergone several renovations over the last 10 years and is now peppered with shops and boutiques for diamonds, designer jewelry, Swiss watches, fragrances, cosmetics, designer handbags and much more. Bay Street is considered to be the Rodeo Drive of the Caribbean without the Rodeo drive prices! All of this leaves a lasting impression of the beauty and ambiance known as The Bahamas.

Safety Ashore Information

While you will find many great experiences in Nassau, there have been reports of increased crime, including assaults and robberies involving tourists in the area. As in any large city, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times, just as you would in your normal daily activities.
- Avoid short cuts, narrow alleys or poorly lit streets. We recommend that Guests only visit the downtown shopping areas, tourist locations and hire services and tours from licensed operators (particularly those involving jet skis).
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried out of sight and secured to your person with a strap.
- Leave passports, air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license or other government-issued photo ID.
- If traveling by taxi, use only licensed taxi operators.
- In general, use the same level of precaution you would use in any tourist destination.
- Most crimes are easier to commit in dark unlit areas. You should stay out of these types of areas and consider returning to the ship before nightfall. If you stay out at night, please be extra vigilant about your personal safety.
