

Dream

PILLOW MENU

A good night's sleep rejuvenates the body, mind, and spirit.

Our Dream Pillow Menu, offered exclusively to our Concierge Guests, gives you the option to select from a variety of specialty pillows during your cruise

All pillows offered are Hypo-Allergenic

Memory Foam Pillow – *for all types of sleepers.* Conforms to your head and neck to ensure anatomically correct sleeping posture. Provides additional support for your neck and spine while comfortably cradling your head.

Snore Reducer Pillow – *for side and back sleepers.* Helps you have a quieter and better night's sleep.

Isotonic[®] “Iso Cool”[™] – *for side sleepers.* For natural head and neck alignment, also helps to balance your changing body temperature so you can sleep more comfortably.

BeyondPerfect[™] Pillow – *The two-sided comfort pillow.* Experience 2 in 1. Side One – temperature sensitive memory foam provides full support. Side Two – down-like micro-gel fiber provides softness. Helps soothe tension on sensitive pressure points.

The “Elliptical” Pillow – *for neck support.* This Elliptical shape pillow promotes neck and shoulder alignment. Pressure relieving support helps reduce tossing and turning.

Silk Pillowcases – In addition to our Dream Pillow Menu we also offer silk pillowcases to be used on your stateroom pillows. The smoothness of our satin pillowcases reduces friction and provides great comfort.

Please contact your Stateroom Host/ess or Concierge with your request.
