

WELCOME TO PORT CANAVERAL IMPORTANT INFORMATION ABOUT THE DEBARKATION PROCEDURE

Dear Guest,

As your cruise draws to an end, it has been our pleasure to have you onboard the last 610 nautical miles of this Bahamian voyage. This letter will detail all the information you need to know to make your final debarkation process in Port Canaveral as smooth as possible.

For Guests that would like to debark the ship and maximize their time in Port Canaveral, you will have the option to take your luggage off the ship at your leisure once the ship has been cleared by the local authorities. You do not need to wait for your luggage to enter the terminal, and there is no need to claim it inside the terminal building. For those that wish to take advantage of Express Walk-Off, please note that no assistance with luggage is provided by onboard crew or shoreside representatives. We ask that you meet in the Lobby Atrium, Deck 3, Midship with ALL of your luggage at 7:00 am, where you may wait comfortably until the ship is cleared by local authorities.

Attach the new tags to your luggage and place it outside your stateroom between 8:30 pm and 10:30 pm on the last night of your voyage for complimentary delivery to the ship's terminal. Any luggage not placed outside the stateroom by 10:30 pm must be hand carried by the Guest when disembarking the ship.

Your luggage will be placed in colored zones, according to your stateroom number, for easy recognition in the port terminal. Porters will be available in the terminal to assist you as you proceed through U.S. Customs and Border Protection. The porters are employed by an independent company, so it is customary to provide a gratuity in recognition of their service.

Onboard Airline Check-In Debarkation Information

Thank you for enrolling in the Onboard Airline Check-in program available through Disney Cruise Line®. At this time, we are pleased to provide you with the following information in preparation for your trip home.

VERY IMPORTANT INFORMATION

If your flight departs PRIOR to 1:00 pm

It is recommended that you disembark the ship by 8:00 am to allow enough time for you to clear Customs and depart on your motor coach for the airport by 8:30 am.

If your flight departs AFTER 1:00 pm

Please check-in at the bus depot by 9:15 am to ensure a timely arrival at the airport. Please allow enough time to clear Customs.

Transfers for guests on flights departing after 1:00 pm leave the bus depot at 9:30 am.

Valet Luggage Tags

Please remove any old airline or Disney Cruise Line luggage tags. Attach the enclosed tags to your luggage and place outside your stateroom between 8:30 pm and 10:30 pm. Your belongings will be transported directly to your airline and checked-in through to your home airport. Any luggage not placed outside the stateroom by 10:30 pm will not be able to participate in the service and will need to be checked in by the guest at the airport.

These tags are not your official airline tags and will show MCO as the departure airport, not your final destination. These tags will be replaced with the official airline tags at the Port prior to being transferred to the airport.

Upon disembarkation, you'll proceed directly through the Customs Hall. Once you have presented your Customs Declaration Form to the Customs & Border Protection Officials, you'll continue on to a Disney Cruise Line motor coach for transportation to the Orlando International Airport. There is no need to identify your luggage in the luggage hall, as it will already be staged for transport to the airport in a secured area. You will not be able to access your luggage.

Airline Boarding Passes

Since you already have your boarding pass and are checked-in for your flight, upon arrival at the Orlando International Airport, you may bypass airline check-in and proceed directly to security and then on to your gate for your flight to your final destination. Don't forget that you'll need a passport/government issued photo ID in addition to your boarding pass to proceed through airport security.

You can not change your flight once you are checked in with the Onboard Airline Check-In program.

Your boarding pass contains your baggage claim ticket numbers. Please keep these numbers secure as they correspond to your luggage.

NOTE: If you choose to carry your luggage off the ship and will not use the Valet Luggage Tags after they have been printed and delivered to your room, you MUST return them to the Guest Services Desk located deck 3 Mid-Ship. The Valet Luggage Tags contain your baggage claim ticket numbers and if not used MUST be voided from the airline systems. Failure to do so will result in additional charges by the airlines when you check-in your luggage at the airport.

We request that you hand carry valuables such as cash, negotiable securities or other financial instruments, gold, silver, jewelry, ornaments,

works of art photographic/video/audio equipment or supplies, laptop computers, cellular phones, prescription medication and personal identification such as citizenship documents.

The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. **LIMITATIONS
OF LIABILITY**

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs, and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

For most international travel (including domestic portions of international journeys) liability for loss, delay or damage to baggage is limited to approximately \$9.07 per pound (\$20.00 per kilo) for checked baggage and \$400 per passenger for unchecked baggage unless a higher value is declared and an extra charge is paid. Special rules may apply for valuables. Consult your carrier for details.
