JUNEAU OVERVIEW

Nestled in a narrow fjord with Mt. Juneau and Mt. Roberts towering above it, Juneau (pop. 31,000) is an absolutely majestic setting. To the east is the vast expanse of glacial ice known as the Juneau Ice Field, and to the west are the wilderness islands of the Inside Passage. Because of the natural beauty that surrounds the city—as well as its gold-rush buildings and many shops—this state capital is a popular tourist destination. In addition, Juneau is visited by more cruise ships than any other port in Southeast Alaska.

Gold brought the first big influx of people, who built Juneau on crushed rock hauled out of the mines in the 1880s. The gold rush gave people the possibility of becoming "instant millionaires!"

For anybody interested, the old red light district is situated on South Franklin Street! Juneau has a lot of steep side streets. This, along with the architecture, were the inspiration for Juneau's Nickname, "Little San Francisco of the North."

Safety Ashore Information While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID.

- Note: Some ports may require guests to carry passports ashore. • Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
