# MEMBER CRUISE

planning made easy

## **Step 1: Discover what's in store.**

Read about our voyage's special shows and experiences in the onboard edition of *Disney Files Magazine* in your stateroom.

## **Step 2: Make your picks.**

In the pages ahead, circle the shows and times that work best for you (you'll even see if an experience is available only once or if you have options), and use the notes section to jot down personal plans, from spa appointments to shore excursions.

## **Step 3: Keep it handy.**

Whether in your lanyard pouch or back pocket, carrying this portable booklet with you will keep your Member Cruise plans at your fingertips.

**TIP:** Visit *Disney Vacation Club* information desks onboard to receive daily, passport-style stamps in the back of this book to commemorate your experience.
