PORT OVERVIEW

Barbados is a coral island, pushed out of the sea by volcanic activity in a distant time. On the West Coast of Barbados, coral shore beaches of fine white sand stretch along a blue green sea. Coral reefs fringe the Barbados shoreline to provide excellent snorkeling and scuba diving. Along the east coast a lively surf is blown briskly by the strong and constant trade winds and the waves pound against a rocky shore. The constant breeze of the trade winds give Barbados a mild and pleasant tropical climate. Barbadians, called Bajans, are friendly souls, always ready to greet you with a sincere smile. Only 21 miles long by 14 miles wide, Barbados is small in size, but big in romance. Its lovely white sand beaches, tropical nights and picturesque scenery is why some consider Barbados the real fantasy island. Barbados is the most easterly island in the Caribbean island chain and has a resident population of 260,000. It's one of the few islands not discovered by Christopher Columbus and settled by the English. This is why there's a strong love affair between Barbados and England today.

Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
