PORT OVERVIEW

Of the three Cayman Islands, Grand Cayman, Cayman Brac and Little Cayman, Grand Cayman is the largest and most popular island and home of the capital city George Town. Visitors flock to the island to relax and enjoy the famous Seven Mile Beach, a long stretch of soft white sand fringed by clear turquoise water, rated one of the most beautiful beaches in the entire Caribbean. Grand Cayman and the Caymans in general are very well known for their diving and snorkeling.

Named after the Carib Indian word for marine crocodile, Caymanians are proud of their sea-going heritage, as evidenced by the legend of "The Wreck of the Ten Sails." The story tells of a ship wrecked off the eastern coast of Grand Cayman, whose crew, in trying to warn other ships away from the reef, instead drew 9 more vessels onto it. Through the heroics of the local people, not a single life was lost. In gratitude, King George III declared the Cayman Islands forever exempt from taxes, which turned in to a billion dollar gift. There is no income tax, property tax, capital gains tax, and corporation tax, making it a very advantageous place for wealthy individuals or companies to do business. Today, tourism and the international financial industry form the basis of Cayman's strong economy and prosperity.
