PORT OVERVIEW

Originally called "La Ciudad Amurallada", San Juan was founded in 1521. In 1508 Juan Ponce de León founded the original settlement, "Caparra", now known as "Pueblo Viejo," a year later, the settlement was abandoned and moved to the site of what is now called "Old San Juan." San Juan is the second oldest city in the Americas. To protect the transportation of gold, silver and jewels, on the route from America to Spain, the Spaniards built a series of forts in the Caribbean. A massive wall and forts were built around San Juan to protect it from the enemy. San Juan was used as a stopover for ships that came from Spain to the colonies and as a stronghold to prevent the enemy from taking control of the island.

In 1898 the U.S. Army landed on the island during the Spanish-American war. Puerto Rico was later ceded to the U.S. as part of the Treaty of Paris that ended in conflict. In 1917, the U.S. Congress granted Puerto Ricans U.S. citizenship. Two decades later, President Franklin D. Roosevelt provided agricultural development, public works and electricity to the island. Puerto Rico has been a U.S. commonwealth since 1952. There have been three referenda on statehood, including one in 1998, but the voters prefer their current status as opposed to becoming the 51st U.S. state. Islanders enjoy citizenship and pay no federal income taxes, but they cannot vote in presidential elections.

San Juan continues to thrive as the business center of the island and the region. It's a manufacturing and processing hub, with petroleum refineries and the famed Bacardi rum distillery. Its port is one of the most active in the Caribbean both for cruise and cargo ships.

Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
