

**DR. GREENAWAY (DR. G) AND SOPHIA GREENAWAY
"DISNEY'S BELIEVE"
DISNEY CRUISE LINE**

DOCTOR GREENAWAY (DR. G)

All right, I've checked all the nutrients in the soil, the phosphorus levels are okay – I didn't use high-nitrogen lawn fertilizer...

SOPHIA

Dad! Thank you for my magic set – it's the best birthday present ever – I am so loving my sorcerer's hat-

DR. G

Is that my bathrobe?

SOPHIA

It's my Sorcerer's cape! Tada! I am Sophia Greenaway, grand master of all wizardry! I take my magic wand and –

DR. G

(preoccupied, mumbling to himself:)
I don't see any plant-damaging insects...

SOPHIA

I take my wand and –
– hey, Dad, how do I make this magic wand work?

DR. G

(frustrated by his plants, blurting out)
It's a mystery!

SOPHIA

Mystery! Yeah! I'll wake it up with a mysterious spell!

(waving her wand mysteriously)
Higitus figitus, bobbidi boo!

DR. G

Maybe it's the water level...? It needs to be bumped up a notch!

SOPHIA

Bump it up a notch! Yeah! I'll bump it up! Sweet!

(rapping and dancing)

*Higitus figitus, bobbidi boo! Supercalifragilistic, too!
Heigh-ho! Heigh-ho! Come on, magic wand! Show me whatcha know, I said,*

*Higitus figitus, bobbidi boo! Supercalifragilistic, too!
Heigh-ho! Heigh-ho!*

DR. G

Sophia! What is all that racket you're making?!!!!

SOPHIA

It's my magical spell, Dad – what do you think?

DR. G

It's a little on the loud side, baby mine.

SOPHIA

Okay, we can do some quiet magic now. Pick a card!

DR. G

I don't have time to play, Sophia –

SOPHIA

It'll only take a second!

DR. G

You don't understand. The Journal of Horticulture is coming here at three o'clock to photograph my new species of flower - the Filiola Fabulae. Behold.

SOPHIA

Your Filiola doesn't look too Fabulae, Dad.

DR. G

Precisely!

SOPHIA

But that's not a problem.

DR. G

It is when your father's going to be laughed out of The Fraternal Order of the Knights of Botany.

SOPHIA

Dad! All you have to do is call on the fairies. They'll make your flowers grow.

DR. G

(harassed)

Sophia! Honestly, I am just a little busy right now!

SOPHIA

But it's my birthday. I thought you were gonna help me make the magic work.

DR. G

Honey, I would love to play with you if I had the time, but these plants are on life support and I've got to figure out how to help them.
