**DR. G**

Clearly I'm breathing in too much formaldehyde. If I didn't know any better, I would think there was a giant blue person hovering over me.

**GENIE**

Please. I prefer periwinkle.

**DR. G**

Who are you – what are you?!

**GENIE**

I am the genie of this lamp.

**DR. G**

This is a watering can.

**GENIE**

It's a magical lamp, converted into a watering can at your botany science lab's environmental recycling department, but that's beside the point. You rubbed on it, it set my magic in motion and now I'm here to grant you three – count 'em – one, two, three – wishes. Oh yes, my good man.

**DR. G**

Ha ha – okay, I get it, I'm being Punk'd! Where are the cameras?

**GENIE**

(looking around; joyful, excited, primping)

Cameras?! I'm ready for my close-up, Mr. DeMille – hey, does this turban make my butt look too big? But seriously, Doctor Greenaway –

**DR. G**

How'd you know my name?

**GENIE**

(all "duh!")

Hel-*lo*! I am a genie! I am here to make the magic happen!

**DR. G**

I have no idea if you are an apparition or my imagination -- but I wish you would stop talking about magic!

Done and done – one wish fulfilled! Okay Doc, one down, two to go. If only Aladdin had been this easy! Okay next wish – make it a good one!

**DR. G**

How patently absurd. I don't believe in wishes and magic.

**GENIE**

Your daughter does. And a little birdie tells me that it would make her birthday if you believed in it too. Come on, Dr. G, what do you say!?!
