## DISNEY CRUISE LINE

### HADES

Is it hot in here or is it just me? Oh...maybe it is just me. Now let's check in with the meter...show me evil!

*The evil-o-meter goes up.*

### HADES

Booya! Hades shoots and he scores! You know I knew proving the fates wrong would be easy...but I didn't know it was gonna be *this* easy. Oh I know...some of you are looking at me right now and thinking, "Hades, don't get cocky", but when you're hot, you're hot! Am I right sir? Yeah I'm talking to you. I know...I know it's not often a mere mortal like you gets a chance to chat with a god like me, yet here we are. What's your name? *(Guest answers) [insert guest's name]* where you from? *(Guest answers)* I'm sorry. *(Guest repeats)* No I heard you the first time I'm just sorry. I kid. I kid because I care. Ha! I tell ya, the fun, it never ends here in the Underworld! It's like *High School Musical!* It never ends! Haven't those kids graduated already!

*Hades continues to riff and improve with the audience inserting some pop culture references and topical jokes.*

*The Fates appear.*

### HADES

Well, well, well ladies...is it just me or does it seem to be a few degrees more evil in here?

### FATE #1

Perhaps just a touch.

### HADES

A touch? A touch? If you broads had more than one eye, you'd see my evil-o-meter is on the rise and in no time flat.

**FATE #2**

So you're using an evil-o-meter eh?

**FATE #1**

Isn't that model a little outdated?

**HADES**

Outdated? This thing is brand new!

**FATE #2**

Don't bother lying to *us* Hades...remember we know *everything!*

**HADES**

Al right...I bought it on Craigslist...but it was a steal! Now if you beauty queens will excuse me...I was gonna make a sandwich, maybe take a nap, play some Wii, then conjure up some more evil.
