DISNEY CRUISE LINE

URSULA

Well hello handsome! You look like a heart-breaker. (*She caresses his head with her tentacles.*) My my my...aren't you adorable? What's your name? (*he responds*) Hmmm I like it! Oh now sugar don't *clam* up on me you got my tentacles all in a twitter! Uh oh. Is that your wife? Hmmm. Legs eh? And only two of 'em? Sweetheart. You don't know what your missing!

She notices P&P.

And whom do we have here? Haven't seen you two swimmin' round these parts...what brings you here?

PAIN

We work for Hades, Lord of the Underwear and we think this invitation is for you.

URSULA

Hades eh? I'm familiar with his work, but (*she scans invite*) I think you boys have the wrong gal. Hades did used to come in here with a beautiful evil gal though. I have a feeling that's who you want. Her castle's not far. Just swim out of here and take a left at the coral reef, a right by the seaweed, then another right past a submarine. That'll be around twenty thousand leagues under the sea; you may see an orange clown fish and his blue friend. Don't get involved they've go their own thing going.

PANIC

Thanks octopus lady!

PAIN

Hey you're a great entertainer.

URSULA

Thanks kid. It's a living. But I miss being a villain. I miss the boos. I always lived for the boos. Now get outta here you freaky looking little things and good luck!
