### THE LEGEND OF THE PUMPKIN TREE

Twas a long time ago...  
Before the time of now, there was Halloween.  
Not the Halloween of today, filled with merriment and pranks, but a darker celebration.  
The night was filled with mystery.  
The moon seemed to shine a little bit brighter, and in every shadow lurked something unimaginable.  
This was the time of the Pumpkin King.  
But as the years grew on, the Pumpkin King grew weary.  
He needed someone to help him keep the history of his favorite, most beloved holiday.  
So he reached into his head and retrieved four pumpkin seeds, each one representing a different characteristic of his wicked personality.  
He planted them around and watched as the seeds grew into beautifully morbid trees. The tree blooms only once a year.  
Deep within it's dark, gnarled branches hold the the remnant spirits of Halloween memories gone past.  
According to the legend, once everyone has learned the who, the what and the why, the spirit of the Pumpkin King will bring the tree to life.  
This name of the Pumpkin Tree here onboard the Disney Dream is named "Grim".
