Disney Cruise Line

WELCOME ABOARD!

We would like to take this opportunity to inform you about our Onboard Airline Check-In Program. Onboard Airline Check-In gives you the ability to check-in for your flight and receive your airline boarding pass while onboard the ship. In addition, you will be able to disembark the ship and proceed to the airport while your luggage is delivered directly to the airline. You may enjoy this complimentary service if you have **purchased your ground transfer arrangements through Disney Cruise Line** and are on a participating airline flying from Miami International Airport (MIA) on the same day your voyage ends.

If you have DCL airport transfers to Miami International Airport on debarkation day between 11:30 AM and 11:59 PM and are traveling with one of the participating airlines listed below, then you may qualify for our Onboard Airline Check-In Program. **The enrollment deadline for the Onboard Airline Check-In Program is 11:00 AM two days prior to disembarkation.**

American Airlines (AA) **United Airlines (UA)** **Delta Air Lines -** *domestic only* **(DL)**

FEATURES:

- No need to worry about your luggage as you effortlessly debark the ship and proceed directly to transportation to the airport.
- Bypass airline check-in at the airport with the boarding pass issued on the ship.
- Proceed directly to security and then on to your assigned departure gate for your flight home.

LIMITATIONS:

- Scheduled flights must be after **11:30 AM** on your disembarkation day.
- Airline Baggage Fees and Rules apply for your checked luggage if applicable and will be charged to your shipboard account.
- Some Guests may be randomly selected by their airline to check-in at the airport and will not able to use this service.

Federal law forbids the carriage of hazardous materials aboard the aircraft in your luggage or on your person. A violation can result in five years imprisonment and penalties of $250,000 or more (49 U.S.C. 5124).

Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles and radio-pharmaceuticals. Loose or spare lithium batteries, power banks and E-cigarettes are prohibited in checked baggage. It is recommended that all electronic devices be transported in carryon baggage. Smart luggage is only permitted if batteries are removable; if smart luggage is checked, the battery must be removed, protected from short circuit and carried in the cabin.

There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person.

Note: Firearms and ammunition must be properly packaged and declared to a Customer Service Agent when bag is checked.

If you would like to enroll in this service by purchasing transfers, please visit Guest Services on Deck 3 Midship with your flight information. Transfers are $21 per person and can be charged to your shipboard account.

Please add flight details for all members of the party and distribute the number of bags evenly between all passengers.
Please **do not** list infants or children traveling without an airline ticket.
