

Dear Guests,

Thank you for selecting a Disney Cruise Line vacation. We are glad that you are sailing with us and want to let you know that we have modified the order of your itinerary.

Originally, your sailing was scheduled to stop at Castaway Cay on Monday followed by our Marvel Day at Sea on Tuesday. We will now celebrate our Marvel Day at Sea on Monday, followed by our day at Castaway Cay on Tuesday.

Any ticketed onboard events or pre-reserved cruise activities you may have scheduled, including Character meet & greets, spa, Palo, Bibbidi Bobbidi Boutique and Pirates League reservations, for our Marvel Day at Sea will automatically be moved to Monday. Pre-reserved Port Adventures and spa services scheduled on our private island day will move to Tuesday.

Welcome aboard! We look forward to providing you with an exceptional cruise experience.

Sincerely,

The Cast and Crew
Disney Cruise Line
