### SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity, Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cash and valuables should be carried close to your body or concealed out of sight.
- Leave all transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government issued photo ID.
- Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark, quiet areas. When going ashore at night, please be extra vigilant about your personal safety.
- It is strictly forbidden to smoke near any public building area, pier and pier park facilities. Guests/stew need to be 50 feet / 15 meters away from any public building. (Please note that in Tortola most buildings are public).
