PORT OVERVIEW

The British Virgin Islands, known fondly as BVI, are largely self-governing with offshore banking as the number one industry followed by tourism. Due to a strong economy, there is virtually no unemployment. In addition to Tortola, there are more than 50 other islands in the BVI chain. The population is about 23,908 and most live in Road Town. The locals are friendly, helpful,

and the easiest going people in the Caribbean. With 32 public holidays, easy going is a way of life. The Governor is appointed by the reigning British Monarch Queen Elizabeth II. Bathing suits are for the beach and are not considered appropriate dress for walking around town. As in Great Britain, driving is on the left, so when crossing the street, be sure to look both ways.

Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
