SAFETY ASHORE INFORMATION

- While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of our crew members. As in any large non-secure destination, you'll want to take some basic precautions to make the most of your time ashore.
- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering into the main sleeping and dining areas inside the terminal. If remaining out in the terminal, use only licensed taxi operators.
- Identify a local taxi that can occur anywhere. Please remain vigilant in monitoring the safe loading of your personal belongings.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exchange cash for Bahamian dollars and Bahamian dollars should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. *Note: Some ports may require guests to carry passports ashore.
- At all times, we encourage you to remain in designated areas. When going ashore at night, please be extra vigilant about your personal safety.
