PORT OVERVIEW

Cozumel is 33 miles long, 11 miles wide and is situated 12 miles off the coast of the mainland. The Mayans have lived on Cozumel since 300 AD, and are most noted for their complex systems of mathematics and astrology. Cozumel has been a major trading center and today one can shop for traditional handicrafts and duty free jewelry! Dine seaside in restaurants frequented by friendly, local residents. This,

splashed with romantic cocktails, will leave you wanting more. Cozumel is a refreshing getaway from the metropolitan cities and is considered the "crown jewel" of the Mexican-Caribbean. Powdery white sand, crystal clear waters, protected environments and snorkeling/scuba diving it is a playground away from industrial society. Cozumel is a true Mexican paradise, and receives more cruise ship guests annually than St. Thomas.

Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
