### Travel Safety Tips

As in any tourist destination, you will want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings, especially in crowded areas.
  - Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
  - Leave your valuables in your stateroom safe and avoid carrying large amounts of cash. Exercise caution when using ATMs.
  - Cameras and handbags should be carried close to your body or concealed out of sight. People who carry handbags or backpacks are particularly vulnerable to purse snatchers on scooters.
  - When going ashore, each adult and child is required to carry a passport or other government-issued photo ID. – Note: Some ports may require Guests to carry passports ashore.
  - In general, use the same level of precaution you would use in any tourist destination.
- Please remember that while in a foreign country, you are subject to its laws.
