Public Health Advisory: Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk for food borne illness, especially if you have certain medical conditions.

SAFETY ONBOARD INFORMATION

While you will find many great entertainment options, please remain vigilant about your personal safety and the safety of your belongings. To help keep all the memories fantastic, you'll want to take some basic precautions to provide the kind of worry-free cruise:

- Be aware of your surroundings at all times. Avoid any unsafe areas and don't wander or become disoriented. If you're lost, contact any Crew Member for assistance.
- Always lock your stateroom door and verify it is locked when you leave. Don't leave valuables in your stateroom unattended. Use the in-room safe to secure your passport and other valuables. If exchanging currency, have a plan, use only licensed exchangers.
- Always be aware of your surroundings when using ATMs. Consider using ATMs in secure locations, such as casinos, where security personnel are present. Be cautious of anyone who approaches you while using an ATM. Cancel your transaction if you notice anyone looking over your shoulder. Put away your money immediately after completing your transaction. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Be careful when using your credit card. Don't let your card out of your sight. Check your statements to be sure you haven't been charged incorrectly. Report any unauthorized charges to your room safe. Where gaming, consider only what is required to enjoy a Disney's fantasy gaming experience. Don't gamble beyond your means
