### DOCKING

The ship docks a short walking distance from the scenic, historical downtown area.

### PORT OVERVIEW

Named after Queen Victoria of the United Kingdom, Victoria is one of the oldest cities in the Pacific Northwest. The city has retained a large number of its historic buildings, in particular its two most famous landmarks, the British Columbia Parliament Buildings (finished in 1897 and home of the Legislative Assembly of British Columbia) and the Empress hotel (opened in 1908). The city's Chinatown is the second oldest in North America after

San Francisco's. The region's Coast Salish First Nations people established communities in the area long before non-native settlement, possibly several thousand years earlier. Nicknamed the "City of Gardens", Victoria is a clean, attractive city and a popular tourism destination. The city is popular with students, who come to attend the many universities and colleges, and with retirees, who come to enjoy the mild and usually snow-free climate of the area.

### SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
