PORT OVERVIEW

Seafarers have long been attracted to the shores of what is now Los Cabos. According to legend in the 16th and 17th centuries, notorious pirates such as Sir Francis Drake and Thomas Cavendish concealed themselves in the bays and coves along the southern coast of the Baja Peninsula, slipping out to ambush passing Spanish galleons. Fast forward to the 1970s when the Mexican government completed the Transpeninsular Highway.

The highway gave Californians a straight shot to the tip of Baja California. Swanky new hotels and condos have filled the landscape along the 20 mile corridor and today Cabo San Lucas has become one of the most popular destinations of what is considered the Mexican Riviera and boasts fine beaches, luxurious surroundings, lively nightlife and some of the best sport fishing in the world.

RESTRICTIONS ON U.S. CURRENCY TRANSACTIONS IN MEXICO

In September of 2010, the Mexican government enacted a law limiting the amount of U.S. dollars a Mexican business or individual may deposit into their bank account. Because of this limitation, some of the recommended stores in port may restrict the amount of U.S. dollars they will accept in settlement of your purchases. Please remember to take your credit card into port so that you may be able to take advantage of all the bargains these stores have to offer.
