If required, secure them with the small red plastic straps provided and place your bags outside your stateroom at your convenience (no later than **11:00pm** if you would like complimentary delivery to the Port Canaveral Terminal). If you choose not to place your bags outside of your stateroom door, please be advised that Customs require you to carry your bags off the ship personally. We suggest that you pack all valuables, such as cash, negotiable securities or other financial instruments, gold, silverware, jewelry, ornaments, works of art, photographic/video/audio equipment or supplies, laptop computers, cellular phones, medicines or other valuables, in your day bag, to be kept with you throughout your journey. Your belongings will be stored and conveniently located in colored zones, according to stateroom number, for easy recognition in the port terminal. Once you locate your luggage, porters will be available to assist you as you proceed through Customs.

*****The porters off the ship providing this assistance are an independent company.
So, in recognition of this service, it is customary to leave a gratuity.*****
