YEARS OF MAGIC  
Disney CRUISE LINE

Key West is, in fact, the western-most of the Florida Keys and the southern-most part of the United States. Its name was corrupted from the Spanish Cayo Hueso or "Island of Bones," dubbed such when Spanish explorers set foot on a landscape littered with the human bones of Calusa Indians and unfortunate seafarers. Of late, it has also been nicknamed "The Conch Republic".

Walt Disney once said: "The era we are living in today is a dream coming true."
