Costa Maya Port Information

Costa Maya is a tourist region located on the Yucatán Peninsula 100 miles south of Playa del Carmen near the border of Belize in Mexico. Comprised of two small villages, Mahahual and Xcalak, Costa Maya provides a picture-perfect getaway the entire family is sure to love.

Early Mayans were predominant in the area from 200 B.C. to 900 A.D. In the 16th century, English pirates ravaged the coast and battled the Spanish for control of the region. At the end of the 19th century, the Mexican Navy took over the land. A treaty with Britain was signed soon after limiting the territorial rights of Mexico, thereby forcing Mexico to build a new trade port in Xcalak.

By the 1950's, the economy was flourishing as businesses - including stone and wood construction companies - made the area a supply center for the region. Steady growth continued until the mid-1990's when the government outlined a plan to make Costa Maya a tourist destination. Today, tourism is Costa Maya's main economic revenue stream and it's easy to understand why, thanks to the island's plethora of unspoiled natural beauty that has remained untouched for thousands of years.

DOCKING

The ship will dock at the Puerto Costa Maya, located approximately 1/2 mile north of Mahahual.
