

Dear *Disney Fantasy* Guests:

We are glad that you have joined us this week.

As you may be aware, Tropical Storm Dorian is predicted to weaken and pass through the Eastern Caribbean during the first part of this coming week when we are scheduled to be in the area. At this time, the National Weather Service also indicates that the storm may dissipate as the week progresses.

Due to the uncertainty of the impact of this storm over the next few days in the Eastern Caribbean, we will be modifying our itinerary to visit Disney's Castaway Cay as our first port-of-call tomorrow. It is our hope that the storm will dissipate quickly and that we may call on the following ports in the Eastern Caribbean later in the week.

Saturday	Port Canaveral
Sunday	Disney's Castaway Cay
Monday	Day at Sea
Tuesday	San Juan
Wednesday	St. Thomas
Thursday	Day at Sea
Friday	Day at Sea
Saturday	Port Canaveral

As always, the safety and well-being of our Guests and Crew Members are of paramount importance to us and we will continue to monitor Tropical Storm Dorian closely. Should additional changes in our itinerary be needed I will provide an update following our call at Castaway Cay.

Pre-reserved Port Adventures and Spa appointments scheduled on Castaway Cay will now take place tomorrow and those scheduled in St. Thomas will remain as scheduled. Guests who have pre reserved Port Adventures in St. Maarten, should visit the D. Lounge located on deck 4 Mid ship today between 1:00pm - 3:30pm and 4:30pm - 6:30pm to research alternative tours in San Juan, Puerto Rico. Any pre-reserved services at Palo, Remy, It's A Small World Nursery and Senses Spa will also remain as originally scheduled (except for those on Castaway Cay as mentioned above). Please reference your Personal Navigator, which will be delivered to your stateroom each evening for actual port arrival and departure times.

We appreciate your patience and understanding concerning this necessary itinerary change and look forward to providing you with an enjoyable cruise experience.

Sincerely,

Captain Marco
