Welcome to an Unforgettable Vacation at Sea

We are pleased to share our plans for a phased relaunch of Disney Cruise Line.

Currently, Disney Cruise Line continues to require all vaccine-eligible Guests (based on US eligibility requirements) to be fully vaccinated against COVID-19, as defined by the US Centers for Disease Control and Prevention (CDC), at the time of sailing. This is a requirement for all Guests (US and international) ages 5 and older. Guests who are not vaccine-eligible because of age must provide proof of a negative COVID-19 test result (paid for by the Guest) taken between 3 days and 24 hours before their sail date. Guests ages 4 and under must complete the testing requirements. The test should be a NAAT test, rapid PCR test or lab-based PCR test. Rapid antigen tests are not accepted.

While our cruise experience may have changed a bit, we've come up with new and exciting offerings to create magical memories together—tailored to our times and presented with all the care you've come to expect from Disney Cruise Line. From original live shows inside the lavish Walt Disney Theatre to innovative new ways to see and interact with Disney Characters throughout the ship, storytelling springs to life on a Disney cruise.

As we set sail again, the health and safety of our Guests, Cast Members and Crew Members is a top priority. Our focus remains on operating our ships in a responsible way that continues to create magic for all on board. We are resuming sailing in a gradual, phased approach that emphasizes multiple layers of health and safety measures, considering guidance from the US Centers for Disease Control and Prevention and other medical experts. Under this guidance, we've reimaged your cruise experience so we all can enjoy the magic responsibly.

Additionally, enjoy peace of mind when booking your cruise, knowing there are options available that allow you to change or cancel your booking flexibly.
