

SANTA & Mrs. CLAUS

[LAUGHTER...!!!] Hello boys and girls, moms and dads... Hello everyone!
I have had such a wonderful time meeting people from all around the world sailing
on this VERY MERRY CRUISE!

This is a time of year that finds us flying all around this world of ours, and not just on
Christmas Eve. We visit many countries and festivities to check in on children
everywhere to see how they are behaving!

They are easy to spot from the sleigh, because light is
often a part of the season. Isn't that right boys and girls?
If it's all right, I've asked some of our Disney friends to tell us about these very special
celebrations.
