Breakfast

Breakfast will be served on the last day of your cruise before you debark the ship. Here are the things you'll need to know.

Reserved Breakfast Time

On the final morning of the cruise, Guests will enjoy a farewell breakfast in one of our themed restaurants. Locations and dining times can be found on the [Disney Cruise Line Navigator app](#). As an alternate option, [Cove Café](#) will be open for specialty coffees from 6:30 AM to 8:30 AM. Remember to bring your luggage with you, as you'll be asked to debark the ship following breakfast.

Getting Off the Ship

Here's what you need to know as you debark the ship on the last morning of your cruise.

Back-to-Back Sailings

All Guests on consecutive, back-to-back sailings, regardless of age and vaccination status, will be required to complete a COVID-19 test between sailings, paid for by Disney Cruise Line. Unvaccinated Guests on consecutive back-to-back sailings are required to submit the results of only one pre-trip COVID-19 test taken one to 3 days before their first sail date. The test should be a NAAT test, rapid PCR test or lab-based PCR test.

Debarkation Time

Debarkation times are based on your dining time and will be available via the [Disney Cruise Line Navigator app](#).

Express Walk-Off

Guests debarking the ship have the option to take their luggage off the ship once the ship has been cleared by the local authorities. Guests will be responsible for their own luggage; no assistance will be provided by onboard Crew or shoreside representatives. If you'd like to take advantage of Express Walk-Off, you should be ready to debark the ship as early as 7:00 AM, and be listening for announcements as to when the ship has been cleared by local authorities.

Picking Up Your Luggage

You may take your luggage with you when you debark the ship or place your luggage outside your stateroom on the last night of your voyage between 8:30 PM and 10:30 PM for delivery to the ship's terminal. Color-coded luggage tags featuring Disney characters are provided to assist you in locating your luggage in the terminal. You will need to write your stateroom number, name, address and number of bags on these tags and attach the tags to your luggage. Luggage will be placed in colored zones, according to stateroom number, for easy recognition in the port terminal on debarkation day.

US Customs and Border Protection

After collecting your luggage, all Guests in your party must present themselves for inspection to US Customs and Border Protection. Porters will be available in the terminal to assist you as you proceed through Customs.
