Welcome to Salerno, Italy

Salerno is located on the Tyrrhenian Sea at the eastern end of the Amalfi peninsula, where the hills drop steeply into the Gulf of Salerno. This is a welcoming land known for its enticing flavors and aromas and by peace and quiet, all the while recounting its history through palaces, churches and castles, popular traditions and cultural events.

A lively port town, Salerno offers a relaxing and open Mediterranean atmosphere, complete with a picturesque, tree-lined seaside promenade and very friendly locals. The Apennines frame this setting of soft sea breezes, small bays and coves with a pristine coast lined by green forests and quaint villages.

Home to the world's first medical school, Salerno is marked by an historical town center full of tiny little passageways and hidden corners that often reflect a bit of art deco and earlier still art nouveau styles. This is where medieval churches share space with neighborhood trattorias, neon-lit wine bars and trendy tattoo parlors.

The unique perspective from the water offers visions of mountain cliffs nearly 2,500 feet high that drop dramatically into the deep blue Mediterranean and a charming base for people watching. Relax with a famous tangy and refreshing Limoncello, made from the succulent Amalfi lemons, and drink in the culture and charm of Salerno.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
